**FOR THE SECOND CONSECUTIVE YEAR, WEST DEPTFORD'S INOUTSOURCE MAKES THE
PHILADELPHIA 100®
AS ONE OF THE REGION'S FASTEST GROWING PRIVATELY-HELD COMPANIES**

West Deptford, September 27, 2007 – Nancy N. Beauchemin is pleased to announce that InOutsource, a leading provider of information management consulting to law firms, has been recognized again as one of the fastest growing, privately held companies in the ten county Philadelphia region. Last year, InOutsource was ranked as the 16th fastest growing company by Philadelphia 100. InOutsource was founded by Nancy Beauchemin in 2002 to provide law firms with strategic records and information consulting and project management services. Nancy attributes their success to “An outstanding team of dedicated professionals” and “Our reputation and legal market focus.” Most of InOutsource’s clients are among the top 200 law firms in the United States. “Law firms are all struggling with similar information management challenges” said Nancy and “we are thrilled that we can help.”

The Philadelphia 100 is a meritorious designation based on verifiable revenue growth as reported on federal tax forms or audited financial statements. The Philadelphia 100 was founded in 1988 to publicly identify, recognize and promote young successful companies in the Greater Philadelphia region. InOutsource will be honored at The 2007 Philadelphia 100 Awards Dinner and Ceremony, held on Thursday, October 25th at The Sheraton Philadelphia.
